《欢乐伙伴》数码资源网是根据 2015 年小学语文课程《欢乐伙伴》，并参考各方意见开发而成的。《欢乐伙伴》数码资源网以学生为中心，照顾学生差异，学习内容贴近学生生活，体现生活化、本土化和情境化的设计理念，并兼顾“语”、“文”的平衡。《欢乐伙伴》数码资源网将学习从课内延伸至课外，让学生在学中用，用中学，从中体现乐学善用。

Huanle Huoban is a web portal hosting digital resources for the 2015 Primary School Chinese Language Curriculum. It focuses on the development of the various language skills (listening, speaking, interaction, reading and writing skills). These teaching and learning resources support student development and cater to students' varied learning needs. The content is set in localized contexts, making it highly relevant to our students' lives. There are also a series of activities such as language games, designed to reinforce students' learning and to make learning fun and meaningful for students, both in and out of the classrooms.
