AUGUST 2018

 Happy 53rd Birthday, Singapore!

The theme for this year's National Day is "We Are Singapore" which celebrates our people, our nation and our home. A pledge of unity and togetherness among our diverse cultures, the **We** in this year's theme emphasises the collective, where regardless of our origins and wherever we are, Singapore is our way of life and will always be our home.

"We Are Singapore" defines the Singapore Spirit, invoking the strength and resilience which built Singapore and empowers Singaporeans to overcome future challenges and adversities together. It reminds us that we will collectively shape and be responsible for Singapore's future.

Our school will commemorate National Day on 8 August through a series of activities which will draw our students' attention to the fact that Singapore is and will always be our home.

School will function from **7.40 am to 10.40 am** for the National Day Celebration on Wednesday, 8 August. Please note that the canteen will be closed on that day. All students **must** have their breakfast at home and bring their water bottle with them.

Dress Code: PE attire and pinafore with school shoes and hair accessories as per school rules

Health & Fitness Tips

The following are some tips to stay safe and healthy during the September school holidays!

- Cut down on tidbits as the high salt and sugar content can lead to high blood pressure and diabetes.
- Outdoor activities do not always have to be strenuous and tiring. Try to go for a walk with your family after a meal to bond and relax!
- Need a break? Replace your screen time with a round of board games or card games with your family or friends.
- Do not stay up late at night just because it is a holiday and there is no need to wake up early. Continue to keep to a proper regular sleep routine so as to ensure your body has sufficient rest for stronger immunity.

GEP Identification Exercise 2018

The tentative dates for the GEP Screening and Selection Exercises for the 2018 Primary 3 students are:

National Cyber Wellness Advocacy Challenge (NCAC)

Four of our students participated in the National Cyber Wellness Advocacy Challenge (NCAC) and have advanced to the final stage. As part of the challenge, students have put up content on SG ConneXion app to educate viewers on how they can create a safe cyberspace environment while using the internet constructively.

These students have chosen to conduct research on a citizen journalism website (Straits Times Online Mobile Print – STOMP). We would like to invite parents to support our students by making a pledge after reading the content and trying out the quizzes put up by them.

To do so, download the **SG ConneXion** app. Next, click on 'Parent's Pledge' to make your pledge.

We look forward to your support.
